## **MANAGEMENT DISCUSSION AND ANALYSIS**

### **INDUSTRY STRUCTURE AND DEVELOPMENTS**

De Nora India Limited (DNIL) is engaged in the manufacture and coating of anode and cathode for electrolytic process for several industrial applications like for instance in the Chlor-alkali industry, water and waste water treatment, pulp and paper manufacturing, surface finishing and plating industries and Cathodic Protection Systems of steel structure and of cement. All these applications are developing starting from the expertise of its main Shareholder in Electrolytic Processes and in catalytic coatings.

DNIL was set up with technical and financial collaboration of "Gruppo De Nora" of Italy, a world market leader in this segment. The company's core business lies in Chlor-alkali sector, which is highly cyclic in nature. In order to reduce the fluctuation of turnover, the company expanded its activities in other markets, introducing and then manufacturing in its factory important technologies such for instance Cathodic Protection Systems, Electrochlorination Systems, and Platinized Titanium Anodes for surface finish application. Over the years DNIL established itself as a recognized leader of the industries it serves with high standard of quality of its Products and Services.

Recoating of anode and cathode is a specialised process, formulation of which involves use of noble metals. These formulations and processes are Proprietary and because of its affiliation to "Gruppo De Nora", the company has the authority to use these formulations and processes, giving it the prominent market share in India. DNIL not only provides support to Chlorine Engineers, Krupp Uhde and Severn Trent De Nora customers in India but is also equipped to give technical support to all other technology suppliers of electrolytic processes sector.

### **OPPORTUNITIES AND THREATS**

The Goa factory is equipped with all the necessary equipment and facilities to meet the demands of the Chlor-alkali industry. The company continues to remain the market leader in the Chlor-alkali and Cathodic Protection Systems business. The main activity of the company is dependent on recoating of electrode for membrane cell electrolyzers in Chlor-alkali plant, which is cyclic in nature because the life of the coating lasts for 6 to 8 years, now since plants have become older the cycle is flating, resulting in lower risks.

The income from recoating business contributes a major share in company's total income and lesser demand for recoating business due to the cyclic nature was the main cause for reduced turnover during this year. The Mercury Cell Plants are gradually being converted into Membrane

Cell Plants. Your Company does not get the business of Anode/Cathodes coating at this conversion stage since these are inbuilt in the new Cells and the complete set of Cell Elements are imported by the customers. Your Company is not in the business of manufacturing membrane Cell Elements and the recoating business in respect of these Anode/Cathodes will happen only after 8 years.

### **ELECTROCHEMICAL PRODUCTS PERFORMANCE**

The company registered turnover of Rs. 362.19 million during the year from the sale of its products.

### **OUTLOOK**

The company is looking forward to maintain its position of market leader in Membrane recoating activity and Cathodic Protection Systems. The directors are hopeful that ongoing efforts made in the field of Chlorate Cells fabrication would pave way for the future growth of the company.

DNIL has successfully developed the new business of supplying special electrodes for water treatment mainly for treating pharmaceutical waste water. DNIL was able to achieve the expected business in 2013 & looks forward to continue to develop this biz segment in 2014 as well. DNIL is also continuing to market new products of De Nora Next namely; Solar Mac NGO™ & Giselle.

### **RISKS & CONCERNS**

Excessive dependency on Chlor-alkali business increases risks and the company is taking steps to minimize this risk by developing the market of its other products as well as introducing new products/technologies in the market. The Electrochlorination business is hampered by severe price competition due to entry of various small competitors having significant influence in their limited area of operation. The Electrochlorination business requires aggressive pricing and several distributors in the territory.

The major area of concern for the company is the impact in contribution caused by the uncontrollable changes in the raw material cost. The company tries to minimise the risk by incorporating Price Variance Clause in the Orders. In the event the company is not able to enforce the Price Variance Clause in the Orders, the secondary option is placing the order for full quantity of noble metals soon after signing of each big order, even if the project execution is of a longer duration.

### **INTERNAL CONTROLS**

The company has an effective and adequate system of internal control, commensurate with the size and nature of the business of the company. Checks and balances are in place to ensure the reliability and accuracy of accounting data. The systems are aimed at ensuring adherence to policies. A system of validation, approval and authorization,

physical safeguards and access restrictions are given utmost importance.

The internal control is supplemented by Internal Audit conducted by Independent Auditors on a quarterly basis. The reports of the Internal Auditors, their findings, recommendations and the compliance thereof, are reviewed by the Management and the Audit Committee of the Board of Directors. The adequacy of the internal control systems is also examined by the Statutory Auditors of the company.

#### **FINANCIAL PERFORMANCE**

During the financial year under review, the company achieved a turnover (Sales and other income) of Rs. 373.87 millions and the Profit after Tax of Rs. 47.75 millions.

#### **MATERIAL DEVELOPMENT IN HUMAN RESOURCE**

Human Resources continue to be a key thrust area. The company's relationship with the work force and the union

continues to be very cordial indicating the prevalence of high degree of excellent relationship between Employees and Management. The Management has been able to develop a harmonious and cordial Industrial Relations environment in the company through regular, periodic meetings with the Employees' representatives. Issues of concerns of Employees are resolved through mutual, collaborative and participative discussions.

#### **CAUTIONARY STATEMENT**

Estimates and expectations stated in this Management Discussion and Analysis may be "forward-looking" statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to your company's operations include economic conditions affecting demand / supply and price conditions in the domestic and international markets, changes in the Government regulations, tax laws, statutes and other incidental factors.

## REPORT ON CORPORATE GOVERNANCE

### Company's Philosophy on Corporate Governance

De Nora India Limited (DNIL) is committed to the adoption of best governance practices and its adherence in the true spirit, at all times. Our governance practices are a product of self desire, reflecting the culture of the trusteeship that is deeply ingrained in our value system and reflected in our strategic thought process. Our governance philosophy rests on five basic tenets viz., Board accountability to the company and shareholders, strategic guidance and effective monitoring by the Board, protection of minority interests and rights, equitable treatment of all shareholders as well as superior transparency and timely disclosure. DNIL is striving for excellence through adoption of best governance and disclosure practices which go beyond the statutory and regulatory requirements as its endeavor is to

follow the spirit of good governance than mere compliance with the conditions specified by regulatory authorities.

### Compliance with Clause 49 of the Listing Agreement

## **TO THE MEMBERS OF DE NORA INDIA LIMITED**

I have examined the compliance of conditions of corporate governance by De Nora India Limited (the Company), for the year ended on 31<sup>st</sup> December, 2013, as stipulated in Clause 49 of the Listing Agreement of the Company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me:

- I) I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement;
- II) I state that no investor grievance is pending for a period exceeding one month against the Company as per the records maintained by the Shareholders/Investor Grievance Committee.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## Independent Auditors' Report

To the Members of  
De Nora India Limited

### Report on the Financial Statements

We have audited the accompanying financial statements of De Nora India Limited ('the Company'), which comprise the balance sheet as at 31 December, 2013, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 ("the Act") read with the General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the said financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India:

- i) in the case of the balance sheet, of the state of affairs of the Company as at 31 December, 2013;
- ii) in the case of the statement of profit and loss, of the profit of the Company for the year ended on that date; and
- iii) in the case of the cash flow statement, of the cash flows of the Company for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.

As required by Section 227(3) of the Companies Act, 1956, we report that:

- a) we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) the balance sheet, statement of profit and loss and cash flow statement dealt with by this report are in agreement with the books of account;
- d) in our opinion, the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this report comply with the Accounting Standards notified under the Companies Act, 1956 read with the General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013; and
- e) on the basis of written representations received from the directors of the Company as at 31 December, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 December, 2013, from being appointed as a director in terms of Clause (g) of sub-section (1) of Section 274 of the Act.

*(Referred to in our report of even date)*

- i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Physical verification of fixed assets was not carried out during the current year.
  - c) Fixed assets disposed off during the year were not substantial and, therefore, do not affect the going concern assumption.
  - ii) a) The inventory, except goods-in-transit, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable.
  - b) The procedures for the physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
  - c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and book records were not material.
  - iii) The Company has neither granted nor taken any loans, secured or unsecured, to or from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act ('the Act').
  - iv) In our opinion and according to the information and explanations given to us, and having regard to the explanation that purchases of certain items of inventories are for the Company's specialized requirements and similarly certain items of inventories sold and services rendered are for the specialized requirements of the buyers for which suitable alternative sources are not available to obtain comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventory and fixed assets and with regard to the sale of goods and services. In our opinion and according to the information and explanations given to us, we have not observed any major weakness in the internal control system during the course of the audit.
  - v) a) In our opinion, and according to the information and explanations given to us, the particulars of contracts or arrangements referred in Section 301 of the Act have been entered in the register required to be maintained under that section.
  - b) In our opinion and according to the information and explanations given to us, the transactions for purchase and sale of certain items of inventories and sale of services which are made in pursuance of such contracts and arrangements referred to in (a) above and exceeding the value of INR 5 lakhs with any party during the year are of a specialized nature for which suitable alternative sources are not available to obtain comparable quotations. However, on the basis of information and explanations provided, the same appear reasonable.
  - vi) According to the information and explanations given to us, the Company has not accepted any deposits from the public.
  - vii) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
  - viii) We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 209(1) (d) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
  - ix) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been generally regular in depositing amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty and other material statutory dues with the appropriate authorities. As explained to us, the Company did not have any dues on account of Wealth Tax.
- According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty and other material statutory dues were in arrears as at 31 December, 2013 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no dues of Income Tax, Sales Tax, Service Tax and Customs Duty which have not been deposited with the appropriate authorities on account of any disputes.

According to the information and explanations given to us, the following dues of Excise Duty have not been deposited by the Company on account of disputes.

Name of the Statute	Nature of the Dues	Amount Rs.	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	Excise duty on assessable value consequent to the benefit availed under the Goa Value Added Tax Deferment-cum-net present value compulsory payment scheme, 2005	1,467,590	2003-2007	Additional Commissioner of Central Excise, Goa

- x) The Company does not have any accumulated losses at the end of the financial year and has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xi) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to its bankers. The Company did not have any outstanding dues to any financial institutions or debenture holders during the year.
- xii) According to the information and explanations given to us, the Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.

- xiii) In our opinion and according to the information and explanations given to us, the Company is not a chit fund or a nidhi/mutual benefit fund/society.
- xiv) According to the information and explanations given to us, the Company is not dealing or trading in shares, securities, debentures and other investments.
- xv) According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions.
- xvi) The Company did not have any term loans outstanding during the year.
- xvii) According to the information and explanations given to us and on overall examination of the balance sheet of the Company, we are of opinion that the funds raised on short-term basis have not been used for long-term investment.
- xviii) The Company has not made any preferential allotment of shares to companies, firms and parties covered in the register maintained under Section 301 of the Act.
- xix) The Company did not have any outstanding debentures during the year.
- xx) The Company has not raised any money by public issues.
- xxi) According to the information and explanations given to us, no fraud on or by the Company has been noticed or reported during the course of our audit.

## Notes to the Financial Statements

for the year ended 31 December, 2013

(Currency: Indian Rupee)

### 1 Background

De Nora India Limited ('the Company' or 'De Nora') was incorporated in June 1989 as Titanor Components Limited ('Titanor') and commenced business in November 1989. The Company's name was changed from Titanor to De Nora on 27th June, 2007. The Company has its manufacturing facilities at Kundaim, Goa and is involved in the business of manufacturing and servicing of Electrolytic products.

### 2 Significant accounting policies

#### 2.1 Basis of preparation of financial statements

These financial statements have been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government, read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 1956 ('the Act') and other accounting principles generally accepted in India, to the extent applicable.

Under Section 211 (3C) of the Companies Act, 1956, which as per clarification issued by the Ministry of Corporate Affairs, continue to apply under section 133 of the Companies Act, 2013 (which has superseded section 211 (3C) of the Companies Act, 1956 with effect from 12 September, 2013.

#### 2.2 Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

#### 2.3 Current and Non-current classification

All assets and liabilities are classified into current and non-current.

##### Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within 12 months after the balance sheet date; or
- (d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the balance sheet date.

All other assets are classified as non-current.

##### Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within 12 months after the balance sheet date; or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

All other liabilities are classified as non-current.

##### Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

#### 2.4 Tangible assets and depreciation

Tangible assets are stated at acquisition cost less accumulated depreciation and impairment loss, if any. The acquisition cost of fixed assets includes taxes, duties, freight and other incidental expenses related to bringing the asset to its working condition for its intended use.

The Company depreciates its fixed assets on Straight Line Method (SLM) at the rates prescribed in Schedule XIV to the Act, except for existing assets of plant and machinery procured until 31 December, 2005, leasehold land and computers (including software classified as Intangible assets). For additions and disposals, depreciation is provided pro-rata for the period of use. Fixed assets individually costing up to Rs. 5,000 are depreciated fully in the year of purchase.

In respect of the existing assets of plant and machinery procured until 31 December, 2005, depreciation is charged on SLM over management's estimate of the residual useful life of the respective asset which varies from 1 to 10 years. However, in respect of these assets, the depreciation rates prescribed in Schedule XIV to the Act, are considered as the minimum rates.

Computers are depreciated over an expected benefit period of 3 years on a straight line basis.

Premium on leasehold land is amortised over the unexpired period of the lease.

#### **2.5 Intangible assets and amortisation**

Intangible assets includes system and application software. These intangible assets are recognised only where future economic benefits attributable to such assets are expected to flow to the Company and the cost of such assets can be reasonably measured. Software is initially recognised at cost and carried to subsequent years at cost less accumulated amortisation and accumulated impairment losses, if any.

The computer software is amortised over an expected benefit period of 3 years on a straight line basis.

Intangible assets are derecognised when no future economic benefits are expected from their use and subsequent disposal.

#### **2.6 Impairment of assets**

The Company assesses at each balance sheet date whether there is any indication that an asset or a group of assets (cash generating unit) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or a group of assets. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

#### **2.7 Leases**

Lease payments under operating lease are recognised as an expense in the Statement of profit and loss on a straight line basis over the lease term.

#### **2.8 Investments**

Long term investments are stated at cost, less any other than temporary diminution in value.

Current investments are carried at lower of cost and fair value, computed separately in respect of each category of investment.

#### **2.9 Inventories**

Inventories include raw materials and consumable stores and spares, work in progress, manufactured and traded finished goods inventory. Inventory is valued at the lower of cost and net realisable value.

Cost comprises the purchase price, costs of conversion and other related costs incurred in bringing the inventories to their present location and condition. Costs of raw materials and consumable stores and spares are determined on the basis of the weighted average method. Cost of finished goods and work in progress include appropriate proportion of costs of conversion which include variable and fixed overheads. Fixed production overheads are allocated on the basis of normal capacity of production facilities. Excise duty on unsold manufactured goods is included in the value of the finished goods inventory.

Obsolete, defective and unserviceable inventories are duly provided for. The comparison of cost and net realisable value is made on an item to item basis.

#### **2.10 Revenue recognition**

Revenue from sale of products is recognised on transfer of all significant risks and rewards of ownership of the products on to the customers, which is generally on dispatch of goods.

Service income comprising mainly recoating/repair of electrolytic products is recognised as per the terms of the contract with the customer when the related services are performed and the products are dispatched to the customer. Income from annual maintenance service contracts is recognised pro-rata over the period of the contract. Commission income is recognised when proof of shipment is received from the supplier.

Revenue from fixed price construction contracts is recognised by reference to the estimated overall profitability of the contract under the percentage of completion method. Percentage of completion method is determined as a proportion of the costs incurred to date to the total estimated costs. Provision for expected loss is recognised immediately when it is probable that the total estimated contract costs will exceed total contract revenue. Revenue recognised in excess of billings is recorded as unbilled revenue.

Dividend income is recognised when the right to receive the dividend is established.

Interest income is recognised on the time proportion basis.

#### **2.11 Foreign currency transactions**

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognized in the Statement of profit and loss of the period.

Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of profit and loss.

#### **2.12 Employee benefits**

##### **(a) Short term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period.

##### **(b) Post-employment benefits**

The Company's approved superannuation scheme is a defined contribution plan. The Company also makes specified monthly contributions towards employee provident fund which is also a defined contribution plan. The Company's contribution paid/payable under these schemes is recognised as an expense in the Statement of profit and loss during the year in which the employee renders the related service.

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation at the balance sheet date by an independent actuary using the Projected Unit Credit Method. Actuarial gains and losses are recognised immediately in the Statement of profit and loss.

##### **(c) Other Long-term employment benefits**

Compensated absences which are expected to occur beyond twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation which is determined at each balance sheet date based on an actuarial valuation by an independent actuary using the Projected Unit Credit Method. Actuarial gains and losses are recognized immediately in the Statement of profit and loss.

#### **2.13 Taxation**

Income tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is determined as the amount of tax payable in respect of taxable income for the period in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax on timing differences between taxable income and accounting income is accounted for, using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date. Deferred tax assets other than on unabsorbed tax depreciation and unabsorbed tax losses are recognized only to the extent that there is a reasonable certainty of their realization. Deferred tax assets on unabsorbed tax depreciation and unabsorbed tax losses are recognized only to the extent that there is virtual certainty of their realization supported by convincing evidence. Deferred tax assets are reviewed as at each Balance Sheet date to reassess realization.

#### **2.14 Provisions and contingent liabilities**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

### 33. Disclosure relating to provisions

#### *Warranties/recoating*

The Company offers warranties for one of the critical parts of certain electrochlorinators and for some of its coating/recoating services for an initial period of two years followed by support contracts for a period of four years in the case of electrochlorinators and for a period of six years in the case of coating, eight years in case of recoating services during which period amounts are recoverable from the customers based on pre-defined terms. Estimated costs from warranty terms standard to the deliverable are recognised when revenue is recorded for the related deliverable. The Company estimates its warranty costs standard to the deliverable based on historical warranty claim experience and applies this estimate to the revenue stream for deliverables under warranty. Future costs for warranties applicable to revenue recognised in the current period are charged to the revenue account.

The warranty accrual is reviewed periodically to verify that it properly reflects the remaining obligation based on the anticipated expenditures over the balance of the obligation period. Adjustments are made when the actual warranty claim experience differs from estimates. Provisions include estimated costs of support maintenance contracts to the extent such estimated costs are expected to exceed the expected recovery during the obligation period. No assets are recognised in respect of the expected recovery on support contracts.

Factors that could impact the estimated claim information include the Company's productivity, costs of materials, power and labour, and the actual recoveries on support contracts.

The movement in the provision for warranties/recoating are summarised as under :

	31 December, 2013	31 December, 2012
Opening carrying amount	26,294,542	5,606,390
Additional provisions made during the year	1,641,882	21,804,193
Unused amounts reversed during the year	852,506	1,116,041
Closing carrying amount	27,083,918	26,294,542

Most of the outflows are expected to take place within 1 year from the balance sheet date and the remaining will be incurred upto a period upto 8 years from the balance sheet date.

### 34. Employee benefits

#### a) *Defined-Contribution Plans*

The Company offers its employees defined contribution plan in the form of provident fund, family pension fund and superannuation fund. Provident fund and family pension fund cover substantially all regular employees while the superannuation fund covers certain executives. Contributions are paid during the year into separate funds under certain fiduciary-type arrangements. While both the employees and the Company pay predetermined contributions into the provident fund, contributions into the family pension fund and the superannuation fund are made only by the Company. The contributions are normally based on a certain proportion of the employee's salary. The Company does not have any obligation beyond the amounts already contributed.

A sum of Rs. 3,131,512 (previous year Rs. 2,950,329) has been charged to the revenue account in this respect, comprising of the following:

	31 December, 2013	31 December, 2012
Provident Fund	1,494,948	1,352,332
Family Pension Fund	492,341	489,705
Superannuation Fund	1,144,223	1,108,292
<b>Total</b>	<b>3,131,512</b>	<b>2,950,329</b>

#### b) *Defined-Benefit Plans*

The Company offers its employees defined-benefit plans in the form of a gratuity scheme. Benefits under the defined benefit plan is typically based on years of service and the employee's compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. The Company contributes funds to Life Insurance Corporation of India, which is irrevocable. Commitments are actuarially determined at year-end. The actuarial valuation is done based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the statement of profit and loss.

d) Gross amount due to vendors for contract work	2,300,000	1,979,913

### 38. Taxation

- a) The tax year for the Company being the year ending 31 March, 2014, the ultimate tax liability will be determined on the basis of the results for the period 1 April, 2013 to 31 March, 2014.
- b) The Company's international transactions with associated enterprises are at arm's length as per the independent accountant's report for the year ended 31 March, 2013. The Company is in the process of updating the documentation for the international transactions entered into with the associated enterprises during the period subsequent to 31 March, 2013. Management believes that the company's international transactions with associated enterprises post 31 March, 2013 continue to be at arm's length and that the transfer pricing legislation will not have any impact on the financial statements particularly on the amount of the tax expense for the year and the amount of the provision for taxation at the year end.
